

The Plattsville & District Heritage Society

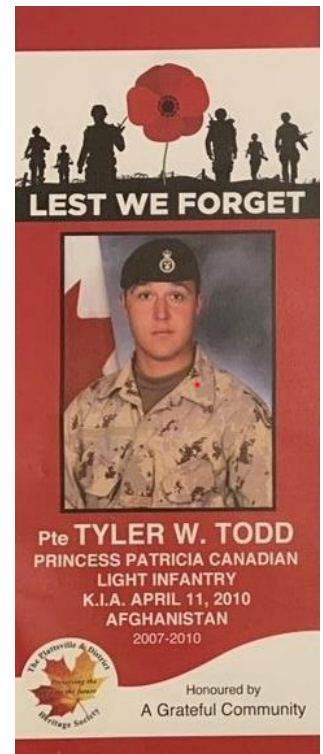

Memorial Banner Project

The Plattsville & District Heritage Society is inviting families and businesses to sponsor a memorial banner in honour of a Veteran. The goal of the initiative is to engage our local community to honour and remember Veterans. All deceased and living Veterans who served for Canada/UK and their allies may be honoured.

Each banner will highlight a specific person and will be hung in Plattsville and Bright annually. This is not limited to Veterans from Plattsville and area – you can sponsor one for a Veteran who lived elsewhere.

Each banner will display:

- An original photo or high resolution scan of the Veteran, in uniform if available
- Rank and Name of the Veteran
- The era of service (WWI, WWII, etc.)
- The branch and regiment of the military
- The years served (optional)
- The sponsor of the banner

Each banner will be double-sided vinyl in full colour and should last 10 years or more. The banners will be hung along Albert Street in Plattsville and Baird & John Streets, Bright from mid-October to the end of November and then stored in cardboard tubes at the Chesterfield Museum.

The cost is \$150 per banner. The due date for applications for 2024 is July 1, 2024. Please complete the application form, attach an original photo and cheque made payable to The Plattsville & District Heritage Society and place it in the mailbox at 45 Mill Street W., Plattsville or deliver to one of the Committee members below.
